Voluntary Donation _____ = _____

We've made every effort to keep costs affordable so our budget is very tight. If you'd like to make an additional donation to be used to offset current expenses, subsidize others who may not be able to afford the total cost, keep the account solvent, etc. we would greatly appreciate it. No amount is too small and any amount would go a long way to insure a successful 50th and future reunions.

Grand Total Due _____ = _____
